

Current hygiene regulations and information for visitors to the IfZ

(Valid from May 1st 2022)

For your protection from Covid-19, the following house rules apply:

- Please enter the IfZ only when **in good health** and wearing a **FFP2 mask**.
- Please wear a **FFP2 mask** within the premises of the institute at all times.
- Please also always follow the general **distancing rules** as well as the **coughing and sneezing etiquette** and **make use of the provided hygienic stations**.

The following information applies to archive and library users:

- Enter the **registration and advisement room only one at a time**.
- The **use of the reading rooms** continues to only be permitted with written **pre-registration**. To reserve your seat, please write to anmeldung_lesesaal@ifz-muenchen.de in time (at least one business day in advance).
- Because of sufficient **safety distance** between the individual desks, there is **no mask mandate** at the **personal desks in the reading room**.
- Due to **reduced seating capacities**, seating is only available to those who require the materials of the IfZ archive and library for their work.
