

## Current hygiene regulations and information for visitors to the IfZ

- Please enter the IfZ only when **in good health** and wearing an **FFP2 mask** (or a mask with an equivalent standard).
- Proceed first to **reception** to fill out the **forms** available there. The forms will make it possible to trace any potential chains of infection.
- Then please wash your hands and make use of the **hygienic station** in the main hall.
- Please wear the **FFP2 mask** within the premises of the institute at all times.
- Please also always follow the general **distancing rules** as well as the **coughing and sneezing etiquette**.
- Enter the **registration and advisement room only one at a time**.
- The **use of the reading rooms** is currently only permitted with written **pre-registration**. To reserve your seat, please write to [anmeldung\\_lesesaal@ifz-muenchen.de](mailto:anmeldung_lesesaal@ifz-muenchen.de) in time (one working day beforehand).
- Please **only use the non-blocked seats** in the reading rooms.
- Due to **reduced seating capacities**, seating is only available to those who require the materials of the IfZ archive and library for their work.
- **Tours** are not available for the time being.
