

Current hygiene regulations and information for visitors to the IfZ

- Please enter the IfZ only when **in good health** and with your **mouth and nose properly covered**.
- Proceed first to **reception** to fill out the **forms** available there. The forms will make it possible to trace any potential chains of infection.
- Then wash your hands and make use of the **hygienic station** in the main hall.
- Wear your **mask to cover your mouth and nose in all situations involving direct contact** without Plexiglas shielding
- Please also always follow the general **distancing rules** as well as the **coughing and sneezing etiquette**.
- Enter the **registration and advisement room only one at a time**.
- **Use of the reading rooms** is currently only permitted with written **pre-registration**. To reserve your seat, please write to anmeldung_lesesaal@ifz-muenchen.de in time (one working day beforehand).
- Use **only the non-blocked seats** in the reading rooms.
- **Seating** is only available to those who require the materials of the IfZ archive and library for their work.
- **Tours** are not available for the time being.
- The **cafeteria** is currently only open to IfZ staff.
