

Current information for external visitors to the IfZ

For your protection from Covid-19, we recommend:

- Voluntarily **wearing a suitable mask** within the institute building, especially in crowded situations.
- Following the **coughing and sneezing etiquette** and making use of the provided **hygienic stations**.

The following information applies to archive and library users:

- Please enter the **registration and advisement room only one at a time**.
- Due to **reduced seating capacities**, seating is only available to those who require the materials of the IfZ archive and library for their work.
